

Illuminati, The New World Order, 666 ...

The whole purpose of Satan's inspired NWO is to target and persecute Yahuwah's followers who want to worship Him according to the dictates of their conscience, and who will not submit to the One World Religion of the Vatican. When the NWO is enforced, it will require a spiritual leader [who will be acceptable to all faiths and religions] to help implement it. No one can better fulfill this role than the pope of Rome. And when it happens, Yahuwah's people will be persecuted and martyred by the NWO just like they were in the Middle Ages.
